## **Check Your Polling Location Prior to Voting**

Shirley Anderson, Hernando County Supervisor of Elections would like to remind everyone to check their polling location prior to voting in the Primary Election on August 23, 2022.

“Redistricting allowed us the opportunity to adjust our precinct lines for growth and find the best facilities available for voters. All active registered voters were mailed a new Voter Information Card informing them of their polling location. In addition, a voter can always use our Voter Lookup Tool to look themselves up prior to going to vote,” stated Supervisor Anderson.

Here are some tips to avoid confusion on Election Day:

- Review your new Voter Information Card.
- Use the Voter Lookup Tool prior to voting to get directions to your polling location.

- Voters must have a valid photo and signature ID to vote. You do not need your Voter Information Card to vote.
- Call the elections office at 352.754.4125 for questions.
