## Shirley Anderson

### SUPERVISOR OF ELECTIONS

December

Let me begin by saying thank you to everyone who assisted in the 2020 election cycle. Elections are not the result of one person, but rather an entire team that works together to make the voting process work for all. Our team has administered three elections beginning with the Presidential Preference Primary (32% Voter Turnout), August Primary (28% Voter turnout) and the General Election (75% voter turnout).

All three elections took place during a pandemic. Although some election workers were not able to work due to Covid we were successful in recruiting new individuals to serve on the frontlines of democracy. Voting during a pandemic brought about new challenges but our goal remained clear- to provide a safe environment for those who came out to cast ballots in person. Early Voting and Vote-By-Mail both broke records in the number of voters participating. 56.75% of all those voting in November- voted in person either at Early Vote site or on Election Day and 77% of all those voting had done so prior to Election Day (Vote-by-Mail and Early Vote)

As a good steward of your tax dollars, I returned \$429,721.61 back to the Board of County Commissioners this year. This includes unspent funds from fiscal year 2020 awarded budget as well as reimbursement of grant funds.

With the holiday season upon us I would like to wish each of you a very Merry Christmas and a healthy New Year.

**Shirley Anderson**  
Hernando County Supervisor of Elections

"It is the mission of the Supervisor of Elections office to ensure the integrity of the electoral process and empower each voter through continuous education."
