## **Secure Ballot Intake Stations Formerly Known as Drop Boxes**

Recent changes in Florida Election Law changed the name of Drop Boxes to Secure Ballot Intake Stations. This box is used only for Hernando County voters who wish to deposit their ballot into a box rather than mail through the USPS. Ballots for other counties or states may not be put into the Secure Ballot Intake Stations.

Hernando County Secure Ballot Intake Station locations are as follows:

**Supervisor of Elections Main Office- **New Location** (located in lobby)**  
**16264 Spring Hill Dr.**  
**Brooksville, FL 34604**

Due to our recent office move to new location the Secure Ballot Intake Station previously located at the County Courthouse in Brooksville is no longer available.

**Supervisor of Elections Branch Office (located at front door of office)**  
**7443 Forest Oaks Blvd.**  
**Spring Hill, FL 34606**

Hours of operation are Monday through Friday 8:30 a.m.- 4:30 p.m. The Secure Ballot Intake Stations are under 24-hour video surveillance, as well as monitored by a trained election worker or staff. The boxes are emptied at the close of each business day and ballots are stored in a secure location until opened for processing.

In addition, there will be Secure Ballot Intake Stations available at each Early Vote Site during dates and times of Early Voting. Visit [HernandoVotes.gov](http://HernandoVotes.gov) for complete Early Vote information.
