FOR IMMEDIATE RELEASE

Military Voters Can Vote From Anywhere

May is National Military Appreciation Month. This month honors, appreciates and recognizes all active military personnel (and their families) who are currently serving. In honor and appreciation, the Hernando County Supervisor of Elections office is already working to make sure our military have all the information needed to vote.

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) states that any service member, eligible family member or overseas citizen may be eligible to vote absentee.

Currently, Hernando County has 1,741 (UOCAVA) voters. If you have a family member or friend who is currently serving, please have them register to vote and order their Vote-by-Mail Ballot. It is important that a current address and email are on file in the election's office. Now is the time to get "2022 Election Ready."

Please visit <https://www.hernandovotes.gov/Ways-to-Vote/Military-Overseas-Voters> to learn more.

It is important that every vote counts - especially those serving our country to protect our freedom!
