## **National Voter Registration Day- Sept. 20, 2022**

On September 20, 2022, Americans will celebrate National Voter Registration Day with a massive cross-country effort to register voters ahead of the midterm elections. 2022 also marks National Voter Registration Day's 10th anniversary.

Every eligible American voter should have the option to exercise their right to be heard at the ballot box. National Voter Registration Day is the right day to start by getting registered. Communities across the country, in all 50 states and D.C., are planning to use National Voter Registration Day to get registered and get #VoteReady.

Founded in 2012, National Voter Registration Day is designed to create an annual moment when the entire nation focuses on registering Americans to exercise their most basic right – the right to vote. Nearly 4.5 million Americans have registered to vote on the holiday since the inaugural National Voter Registration Day. This is also a good opportunity to remind current registered voters the need to update their voter's information if they have moved or changed their name. With the next election quickly approaching, we need **your** assistance in making sure **your** voter file is accurate.

Hernando County is pleased to join in this national effort to help people get registered. Please join us on September 20, 2022, to make sure you are a registered voter and the information we have on file is accurate and up to date. You can also register online at <https://www.hernandovotes.gov/Voters/Online-Voter-Registration>

### **Register to Vote- September 20, 2022**
