## **Celebrate National Voter Registration Day on September 19, 2023**

On September 19, 2023, Americans will celebrate National Voter Registration Day (NVRD) with a fifty-state effort to register voters. National Voter Registration Day is an annual nonpartisan event held each year on the third Tuesday of September. Over 4,000 national and community partners from all across the country work to raise awareness of voter registration resources and opportunities. As the nation's largest nonpartisan civic holiday, it has facilitated over 5 million voter registrations since 2012. National Voter Registration Day is endorsed by the National Association of Secretaries of State, National Association of State Election Directors, the U.S. Election Assistance Commission, and the National Association of Election Officials.

It is also an excellent opportunity to remind currently registered voters the need to update their voter's information. The next election is less than 200 days away – (March 19, 2024), so we need to work hard to make sure our voter rolls are accurate. **This includes updating your address if you have moved!** Be sure to visit [HernandoVotes.gov](https://HernandoVotes.gov) to register to vote or update your information online.

Join us on September 19, 2023, to make sure you are a registered voter and the information we have on file is accurate and up to date.
